Appln. No. : New Application  
Docket No.: 107348-00599

This diagram is a cross-sectional view of a mechanical assembly, possibly a valve or a pump. The main body (2) is shown in cross-section, revealing internal components. A central shaft (15) passes through the assembly, with various seals and components labeled with numbers. A hinged cover (38) is shown in an open position, revealing internal parts like 30a and 40. The assembly is mounted on a base (5) with a flange (16). The diagram includes numerous numbered labels (1-36) pointing to specific parts, and a bracket (8) groups several components at the bottom. The cover (38) is shown in an open position, revealing internal parts like 30a and 40.
